

R.M. OF RUDY No. 284

OFFICIAL COMMUNITY PLAN

CALL FOR PUBLIC INPUT

The Rural Municipality of Rudy No. 264 is holding meetings with interested stakeholders to contribute towards the development of preliminary policies for planning and development for the R.M.'s new Official Community Plan. When finalized, these policies will provide direction to guide land use and development decisions within the municipality for the next 20 years.

Members of the consulting team will be organizing structured workshops which will: explain the planning framework, report on findings to date, to receive input and guidance from R.M. residents, and to answer questions regarding the process of implementing a new Official Community Plan. Please note that these consultations may take upwards of 3 hours per meeting and will require your willingness to provide ideas and feedback in a constructive manner.

We look forward to speaking with anyone interested and willing to review the proposed policies and provide comments at the stakeholder consultations. If you are interested in attending, please contact Trent Michelman at the R.M. of Rudy at (306) 867-9349.
